Description

Figure 1 displays the percentage of respondents who answered 'Yes' to various questions, categorized by whether they have been vaccinated and whether they have received a COVID-19 vaccine. The data is presented in a 3x3 grid of bar charts. The rows represent different groups: 'All respondents', 'Respondents who have been vaccinated', and 'Respondents who have not been vaccinated'. The columns represent different questions: 'Do you have a COVID-19 vaccine?', 'Do you have a COVID-19 vaccine that you have not received?', and 'Do you have a COVID-19 vaccine that you have received?'. The bars are colored blue for 'Yes' and red for 'No'.
